Surprising Sharks is the best shark
 book you will ever read!! I read it since anyway
 BECAUSE it has the COOLEST pictures in it
 Here are some facts from SURPRISING SHARKS
 but not all the facts because you should read it
 to learn more ~~Dark~~ ^{Dark} Lantern Sharks like up because
 there organs have like up things Some sharks
 have saw sharp for heads or some have hammerheads

for heads Some Sharks eat shrimp Sand sharks
 baby's inside the mother skin inside the mother stomach
 A lot of sharks get killed by people to make lipstick
 Bad! Don't kill sharks!! Did you like those facts.
 You will like surprising sharks There is even
 more information in that book Read it Read it
 Read it it's now Goto the library Goto Barnes and Noble
 Read it You might even buy it to keep
