

We Can **Collect** Persuasive Writing

Entries by...

writing **mini-speeches** and **letters**:

* Think of a **problem** that needs to be changed

→ how? **by...**

→ why? **because...**

* Think of **wonderful things** in the world...

→ Why should we do more?

→ How will we?

* Think of **new things** people should try

* Predict what your **audience** will say/ask...

→ what will I say back??!

I think...

It's unfair that...

People should...

You might think...
but...

Some people
might say...
but I think...
