

June 18

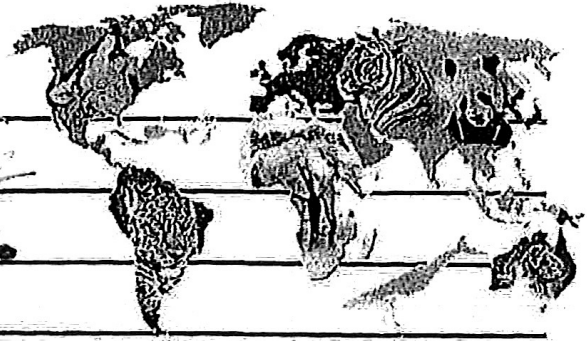

Jon Jarvis, Director
National park service
1849 C Street NW
Washington, DC 20240

Dear Mr. Jarvis,

I heard that bat's
are dieing and I want
to help.

One way I could
help bat's is by building
bat houses. I could make
a fun raiser in my
school and when I am
done with my fun
raiser I would send
it to you so you
could build 10 bat houses
and if you have some
money left you would
keep the money and

maybe you
could adopt a
wolf or bat.

Now I am gonna
tell you a story about
bat's...

One night I
was visiting my grandma.
I was so excited. When
I got out of my car
I heard flapping then
I heard it again. My
grandma told me she
had a big fruit tree
and bat's come here
every night.

Sincerely,
Sahar
