the picture above is a painting by Paul Revere. It is an non-accurate painting. The painting is littlerley screaming, "Look at the British! They're harrasing us!" The real story of the Boston Massacre is something you are about to find out about.

March 5<sup>th</sup> 1770  
Sara Prescott

Those colonists were at it again! Throwing ice & snow at our soldiers was terribly rude of them. And, they've wounded my father, the private terribly. How I hope King George III will punish them deeply.

Sara L.

# Conclusion

The Boston Massacre was a turning point because it made the colonists even more angry. It really made them grow even more apart.

Which side are you on?

This might take a while,

So choose wisely.

I hope you enjoyed this book.
