

TIPS FOR COMPARING^{and} CONTRASTING

★ GROUP OUR SIMILARITIES and differences into CATEGORIES OR IDEAS

★ USE + TRANSITION WORDS to connect your IDEAS

- They are similar because...
- They are also different because...
- Also
- For example... Another example...
- In addition

★ WRITE all about the similarities and then all about the Differences OR you can be like a see-saw and write something about one thing and then something about the other thing, then something about the one thing and something about the other thing.
