

Questions to Ask the Text when Reading with a Critical Eye

- How does the information presented connect with and/or contradict information learned from other sources

Why coffee is good
By: Starbucks

- Who wrote it? What's his/her role? What does the author, or sponsor, stand to gain from this position?

- Are there patterns evident in the kinds and sources of information that have and have not been included and valued?

- Are there things in the source that give you pause or make you uneasy?
